

**Mid-18th century Hardstone box.**

A small hardstone box with gold cagework mounts. The box opens with a hinged lid slightly rounded, the body is cylindrical and rests on a base. The gold mount is finely chiselled with "rocailles" and flowers.

The stone work of this piece is characteristic of objects produced in England during the 18th century.

H:3,7 cm , L:2,5, l: 2,5cm

English work mid-18th century.

Price:4700€
