

18th Century Gold and Enamel Snuffbox

A gold and enamel snuffbox of shallow navette form. The lid, the ground and the sides of the box are decorated with translucent cobalt blue enameled panels revealing a guilloché pattern in waves. The surrounding of the lid is decorated with a stylized floral frieze on a matte background and enhanced with opalescent, red and green enamel. The box is decorated with alternating enameled panels and ornaments or cassollette enhanced with red and green enamels.
