

19th century Pair of silver ewers and engraved crystal

Era: 19th century.

Materials: cristal, silver.

Dim: H 11 in/ (28 cm)

Weight: 101.41oz (2875g).

Head of Minerva., since 1838.

Silversmith: Ernie and Saglié.

Pair of ewers made of cut crystal and set in silver mounts. The crystal body is engraved with wide curving grooves, flowers, and foliated branches. The silver neck and the base are decorated with sculpted latticework, rocaille, and foliage. The lid is in the shape of a foliage. The ewers have an openwork handle that features the lively movement of foliage. Circa 1880-1890
