

**Gold and enamel snuff box.  
18th century.**

Beautiful oval snuffbox, the cover, the side and the base panel are decorated with translucent brown enamel on an engine-turned parallel and concentric streaks with peas. This decoration is surrounded by a stylised floral frieze enhanced with white and green enamel on amati gold. The side has four panels with the same work of gold and enamel alternating with floral garland motifs enhanced with green and white enamel on amati background.

Prestigious gold marks inside the snuffbox.

L: 3.14in. (8cm) / l: 2.16in. (5,5 cm) / H: 1,06in. (2,7 cm).

Weight: 4.72oz (134g).

18th century Work. Probably Hanau.

Price: 26000€
