

Mid-19th century Gold enamel chatelaine, Frères Junod watch, Geneva

Important gold chain and brooch with an enamel portrait of a young woman in profile in a black enamel frame in its case. The brooch set with pearls is linked by a long gold chain to a hook decorated with another portrait of a young woman. A gold and enamel watch hangs from the hook; a seal and a key are connected to the hook by a gold chain. The gold watch has a putti decoration offering a garland set with rose-cut diamonds. Cylinder watch with 8 jewels.

Era: Mid-19th century.

Materials: gold, enamel.

Dim: L 51,5 cm/ 20,27 inch.

Weight: 2.32oz (65,8 g).

Hallmarked 1864-1888

Watch signed Junod frères in Geneva.
