

GALERIE OUAISS ANTIQUITÉS

Pair of ring holders in mother-of-pearl and gilt bronze, Palais Royal work

A pair of Charles X ring holders or baguiers with ormolu mounts hatched with small flowers. Mother-of-pearl vertical elements, cups decorated with openwork interlacings and mother-of-pearl gadroons hemmed by gilt bronze friezes chiselled with small flowers and openwork festoons. Each baguier contains six hooks for jewels. Dark red velvet interior.
