Mid-19th century gold and enamelled brooch with miniature

Era: mid-19th century, Restauration.

Materials: ivory, gold.

Dim: H 1.96in (5 cm)/ W 1.73in (4,4 cm).

Weight: 0.56oz (16 g).

Oval miniature mounted in gold enamelled brooch. The frame is in gold and enamelled with fine black enamel threads. The high-quality miniature shows a young man in a brown suit, black collar and bow. The jacket is open over a white shirt adorned with a gold tie pin. The background suggests clouds. The miniature is closed at the back with a mother-of-pearl plaque. Circa 1830-1840.
