

19th century Neogothic Gold and enamel Frame.

Oval gold frame with multi-lobed, openwork and filigree arches enhanced with white enamel. On both sides, two Corinthian columns decorated with spiral gold pearls for one and geometric patterns for the other support the arch. Patterns of crosses in red and white enamel adorn the base of the frame. The back of the frame is closed.

Weight: 2.6oz (74 g).

L: 4

3in. (11cm) / 2.9in. (7.5cm)

18K gold

Gold marks: probably Italian (hallmarks with Vatican keys).

19th century.
