

### **Early 20th century ormolu barber mirror**

An ormolu barber mirror consisting of three bevelled mirrors. Each mirror is set in an ormolu frame chased with scrolls and friezes. All mirrors are hinged and can be closed. Each mirror is protected on the reverse side by a leather cover and a chain with a ring was used to hang the triptych if necessary.

The mirrors have a few scratches and the leather has been damaged. Circa 1900.

Era: first 20 century.

Materials: gilt bronze and glass.

Dim. mirror: H 10.23in. (26 cm) / W 7.48 in. (19 cm).

Open triptych: H 10.23in. (26 cm) / W: 22.04in. (56 cm)
