

Blue opaline perfume bottle with enamel and silver decoration

Era: XIX century.

Materials: opaline, enamel.

Dim: H: 12 cm/ D: 12,5 cm.

A mid-19th century blue opal crystal set composed of a small flask, its cork and a small flower-shape cup. The perfume bottle and flask are decorated with enameled and silver stylized rinceau and the cup is heightened with gilt. Light wear to the gilding and enamel.
