Late 19th century marbre and gilt bronze guéridon

Era: 19th century.

Materials: gilt bronze, marble.

Dim: H 75 cm / W 60 cm / D 37 cm.

A French guéridon with its oval marble tray decorated with an ormolu frieze of foliate interlacing on night blue color background, hightened with masks above the feet depicted as four fine curved columns, adorned with foliated capitals and twisted branches of flowers, terminated with gilded bronze forked hoof. Napoléon 3rd.
