

**Gold bonbonniere, Master goldsmith Jean Baptiste Louis Rousseau**

Round candy box in 20 carat gold. The lid is streaked with concentric lines and bordered by a frieze of foliage in light relief on the top alternating with small vertical lines. The same motif appears on the sides, with a frieze of foliage alternating with palmettes. The base is identical to the lid, its sides chiselled with parallel lines surmounted by a garland of lozenges and squares in the neoclassical taste.
