19th century pair of Russia jasper vases in Louis XVI style

Era: 19th century

Materials: ormolu, Russian Jasper

Dim: H 55 cm / W 30 cm

Dim: 21.65 in / W 11.8 in

A pair of important ornamental Russian jasper urns with Louis XVI style ormolu mounts, provided with scrolling acanthus forming handles, holding heavy draperies falling down on both faces of the paunch. Each vass rests on a circular base very finely chiselled with interlacing, above a square plinth decorated with flowers.
