A set of cut crystal from the Charles X period

Era: 19th century

Materials: cut crystal, gils bronze

Le Creusot crystal factory

A cut crystal service comprising two cups with saucers enhanced by a chiselled gilt bronze mount, a jug with spout and handle decorated with a Roman helmeted head, and a sugar bowl with removable lid featuring a gilt bronze swan as a handle. The same swirling leaf motif and diamond cut are repeated on all the pieces in this typically Charles X set.

Jug: Height 14 cm / Width 7 cm / Depth 11 cm

Two cups: H 8 cm / W 8 cm / D 11 cm

Two saucers: diameter 14 cm / H 4 cm

Sugar bowl: H 14 cm / diameter 10 cm
